

## Corks for Kids Path

Thank you to everyone for continuing to make Corks for Kids Path an amazing success! It would not be possible for Kids Path to provide the care we do for so many children and their families without your generous support. This year's Corks for Kids Path was the most attended event we have ever hosted! More than 500 people filled the Regency Room celebrating with old and new friends and enjoying impeccable wines and beers, delicious food, and decadent chocolates – all for a great cause! Your participation was vital to our success. Numbers are still being finalized, but it appears that together we generated more than \$31,000 for Kids Path, bringing our 3-year total for the event to just over \$100,000! In addition, we have received some great feedback about Corks for Kids Path. I think you will enjoy reading a few of the "reviews:"

- Corks for Kids was an AWESOME event! We think this should be done twice a year...we don't want to wait a whole year for the next one!

- Fabulous - food was decadent, wine was divine!

- Had a great time. It was very well done and staffed. Can't wait for the next one

- Wonderful event. I really liked the location better and can't wait until next year!
