

Hospice and Palliative Care of Greensboro

Celebrating life since 1980, Hospice and Palliative Care of Greensboro (HPCG), a non-profit organization, supports people in the Greater Greensboro area and enables them to live fully, with comfort and dignity, to the end of life. HPCG provides physical, emotional and spiritual support for people faced with a life-limiting illness as well as their caregivers and families.

“If only we had called you sooner…..” is a comment we often hear from families who have been served by HPCG. We have a team of skilled professionals and volunteers to serve HPCG patients and their families, whether in the comfort of their own homes, in assisted living centers, in skilled nursing facilities, hospitals or at Beacon Place, our on-campus hospice home.

There are many reasons to call HPCG. Become a volunteer. Request a speaker. Join a grief support group. Make a contribution. Ask questions. For more information please call (336) 621-2500. To make a referral, please call (336) 621-7575.
